

Mustache::PartialResolver

```
classDiagram
    Mustache::PartialFileLoader --|> Mustache::PartialResolver
    Mustache::PartialMap --|> Mustache::PartialResolver
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'Mustache::PartialResolver'. Below it, two boxes are positioned side-by-side: 'Mustache::PartialFileLoader' on the left and 'Mustache::PartialMap' on the right. A horizontal line connects the bottom of these two boxes, and a vertical arrow points upwards from the center of this line to the bottom of the 'Mustache::PartialResolver' box, indicating inheritance.
